

BRAND IDENTITY GUIDELINES

Concept edition | October 2026

01 / BRAND CHARACTER

Traditional British hospitality, with a refined heritage finish.

Brand attributes: welcoming / characterful / established / premium

02 / CORE COLOURS

Bottle Green

#003B28 | Primary backgrounds

Antique Gold

#DCA43B | Logo and decorative detail

Burnished Copper

#A85B25 | Illustration accents

Dark Walnut

#422718 | Warm supporting tone

Warm Ivory

#F5E9CC | Paper and light backgrounds

03 / TYPOGRAPHY

PRIMARY DISPLAY / CINZEL BOLD

SPYGLASS & KETTLE

Use for titles, signage and prominent menu headings.

SECONDARY / CORMORANT GARAMOND

Fine Food & Traditional Hospitality

Use for elegant subheadings and editorial accents.

BODY / SOURCE SANS 3

Freshly prepared food and a warm welcome.

Use for prices, descriptions, web and practical information.

Font names are recommended matches, not verified original logo fonts.

For final production, license and install the selected font families.

04 / LOGO USAGE

Preferred: full-colour badge on a bottle-green background.

Keep a clear area around the badge of at least 10% of its width.

Avoid stretching, recolouring, shadows or placing over busy photos.

Use a simplified one-colour version for small embroidery or engraving.

Production note: this logo is raster artwork; create a vector master before manufacturing signage, foil work or large-format graphics.

05 / APPLICATIONS

MENUS

Warm ivory stock, green headlines, gold rules and copper accents.

SIGNAGE

Bottle-green base with antique-gold lettering and subtle relief.

UNIFORMS

Dark green or walnut aprons with restrained gold embroidery.

DIGITAL

Readable ivory backgrounds, green navigation and accessible buttons.

06 / NEXT PRODUCTION STEPS

1. Approve palette and typefaces.
2. Rebuild the badge as editable vector artwork.
3. Test metallic-gold print versus flat-colour alternatives.
4. Create menu, signage, stationery and social templates.

Colour values are approximate and require print proofing.
